

Here's how a standing order could really help us:

£3 per month: ensure we continue to provide free tickets for adults accompanying groups of young people with special needs.

£5 per month: keep Youth Theatre fees at only £3 per week for those on benefits or low income.

£10 per month: keep ticket prices low & accessible to everyone.

£15 per month: fund a Youth Theatre 'wish list' to have additional resources to enhance their experience, including working with specialist artists.

£25 per month: enable a disabled child to participate in Youth Theatre by covering the costs of an access worker for half a term.

£100 per month: allow us to work with artists to create new pieces of professional theatre for young audiences which push the boundaries of artform development.
