

Responding to the exhibition

Beneath some of the paintings there are chalk boards for visitors – young and older - to make their own responses, or leave their own creative imprints for others to enjoy. There is also a specially created gallery trail for children to complete.

School and community groups can visit free of charge by pre-booking and can use our gallery trail to support Arts Award Discover and Explore.

Contact Beccy on 020 7709 8908 or youth@halfmoon.org.uk for more information.

About Half Moon

Half Moon is a vibrant young people's theatre in Limehouse, East London, offering a theatre programme which attracts thousands of people to the building each year, as well as to our productions on tour throughout the UK.

We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (or 25 for disabled young people) an opportunity to participate in a variety of creative activities in schools, community settings and in our own building.

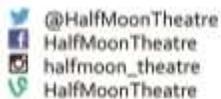

The company is one of Arts Council England's National Portfolio Organisations and also receives grants from the London Borough of Tower Hamlets. Each year we have to raise over £150,000 in additional grants and donations, so do contact us if you can help in any way.

Mailing List

If you would like to be added to our mailing list for future exhibitions, please leave your contact details with staff at the box office or in the office. Alternatively, you can visit our website, www.halfmoon.org.uk.

THAT - Half

26 April – 7 July 2017

THAT – Half offers a dynamic snapshot of some of the best contemporary practice from 19 artist teachers all of whom work as art teachers across the schools of Tower Hamlets.

Inspired by a collective passion to create a dialogue about their practice, the artists offer a mix of style and media including etchings, observational drawings, photography, digital prints, water-colour and mixed media collage. Collectively, they offer an immediate vibrancy that, regardless of the artistic medium, makes you think about contemporary scenes and situations.

THAT – Half is a unique and rare moment to share the excitement of the Tower Hamlets Artist Teacher Network's collective artistic talent.

Formed in 2013, THAT is an artist collective that encourages and supports artist teachers, working specifically in the Borough of Tower Hamlets, to revisit their art practice and develop artwork linked to a chosen area of research. Their aim is to exhibit and share good practice, investing time and effort to develop their own art practice to positively reach out and inspire young artists in their individual school communities.
