

Responding to the exhibition

Beneath some of the paintings there are chalk boards for visitors – young and older - to make their own responses, or leave their own creative imprints for others to enjoy. There is also a specially created gallery trail for children to complete.

School and community groups can visit free of charge by pre-booking and can use our gallery trail to support Arts Award Discover and Explore. Contact Beccy on 020 7709 8908 or youth@halfmoon.org.uk for more information.

About Half Moon

Half Moon is a vibrant young people's theatre in Limehouse, East London, offering a theatre programme which attracts thousands of people to the building each year, as well as to our productions on tour throughout the UK.

We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (or 25 for disabled young people) an opportunity to participate in a variety of creative activities in schools, community settings and in our own building.

The company is one of Arts Council England's National Portfolio Organisations and also receives grants from the London Borough of Tower Hamlets. Each year we have to raise over £150,000 in additional grants and donations, so please contact us if you can help in any way.

Art at Half Moon

Since 2012, Half Moon has collected a range of art from previous exhibitions to put on display throughout the building, in meeting rooms, offices, passageways and other surprising places. How many can you find?

Mailing List

If you would like to be added to our mailing list for future exhibitions, please leave your contact details with staff at the box office or in the office. Alternatively, you can sign up via our website, www.halfmoon.org.uk

Making Marks

12 July – 1 September 2017

Two of Half Moon's very local secondary schools, Bishop Challoner Catholic Federation of Schools and St Paul's Way Trust, are proud to present an exciting display of artwork drawn from the very best of their GCSE students. Each piece has been created in response to their examination courses, as they interpret the world around them and so 'making marks'.

Making Marks is part of Half Moon's on-going commitment to showcase the work of local art students from across our home borough of Tower Hamlets and is presented in collaboration with members of the Tower Hamlets Artist Teachers Network.
