

# Thank you!

Half Moon is a charity, and in the past year, our energy bills went from £8000 to **more than £20,000 per year**. Last term, we asked you for your help to cover our rapidly increasing running costs. We are incredibly grateful for your donations which helped us raise nearly **£1200**. Every donation makes a difference, so we wanted to take this opportunity to thank every person who contributed.

If you are in a position to offer your continued support by **making a donation today, adding a donation when you pay your Youth Theatre fees, or setting up monthly donations**, it makes all the difference to us and the young people we support.

**Please, help us to continue the valuable work we do with your young people by speaking to a member of staff about how you can make a donation.**

## Thank you to our donors:

The Buzzacott Stuart Defries Memorial Fund

# Eclipse Summer Sharing 2023

This term Eclipse have devised theatre based on the theme of 'time travel'. The group were tasked with creating new and exciting worlds; Who lived there? What were the rules? What did they eat and do everyday?

This led to some really fun and creative scenes as they played with ideas every week. Once decided upon, Eclipse were tasked with telling the story of their world in a clear and precise way, making sure the audience could understand the storyline.

Eclipse have had a jam packed term, not only devising the whole performance but working on their performance skills, looking at ways to perform through movement and mime and even building and designing the set!
