

## About Half Moon

Half Moon is a theatre in Limehouse. Since 1990 we have been producing and presenting professional theatre for children and young people at our Limehouse venue as well as touring work nationally. We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (up to 25 for disabled young people) an opportunity to participate in a variety of drama and theatre activities in schools, community settings and at Half Moon. We serve our local community of Tower Hamlets, meeting local needs and addressing local challenges.

## Half Moon 1990 – about the project

Half Moon is celebrating its 30<sup>th</sup> Birthday as a young people's company (a little late due to COVID-19). The project includes three strands: **Snapped in 1990** - an exhibition of photos of our home borough of Tower Hamlets from 1990 alongside recreated photos of the same locations in 2020, photographed by our young people; **Born in 1990** – a series of filmed interviews by our young people with people from Tower Hamlets or with a connection to the borough who celebrated their 30<sup>th</sup> Birthday last year; **Happened in 1990** – five films of performances created by our young people about world events that happened in 1990.

## Born in 1990: we're looking for someone who:

- was born in 1990
- who grew up or currently lives or works in Tower Hamlets
- who works in one of the following:
  1. as a **local councillor**;
  2. in **social services**;
  3. on the **DLR**;
  4. in the **hospitality sector on or around Brick Lane**;
  5. in **banking in Canary Wharf**

Our Born in 1990 interviews will take place online in April or May, conducted by our young people. They will ask you about your thoughts on the changes you have seen since 1990 in Tower Hamlets and what you think the next 30 years might have in store for the borough and/or your sector. The interviews will be filmed and turned into a short documentary. The final documentary film will be shown as part of a virtual programme of events at Half Moon in summer 2021.
