| Set building | | £120 (charity rate) £200 (non-charity rate) | £500 (charity rate) £800 (non-charity rate) |

Use of the Main Studio often requires you to hire a technician at a rate of £30 per hour (minimum call time four hours). Depending on the hire, this may also be the case for our other spaces.

You may also need to cover other costs, such as Front of House staff, the use of specialist equipment provided by Half Moon, for any simple catering provided or to facilitate bought in refreshments.

Separate rates are available for any filming and hire of the Theatre Foyer. If you would like to discuss any this, please email admin@halfmoon.org.uk.
