

8 Look around the gallery. Which is your favourite picture?

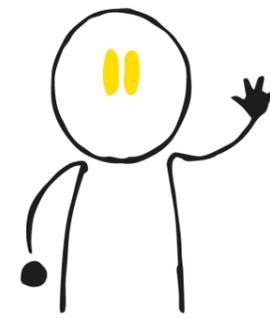

Can you tell the artist why you like that picture?
Tell the artist why you like the colours / what's shown in the picture.
Tell the artist how the picture makes you feel.

9 There are lots of birds in the pictures. Count how many you can find.

How many Birds can you find?

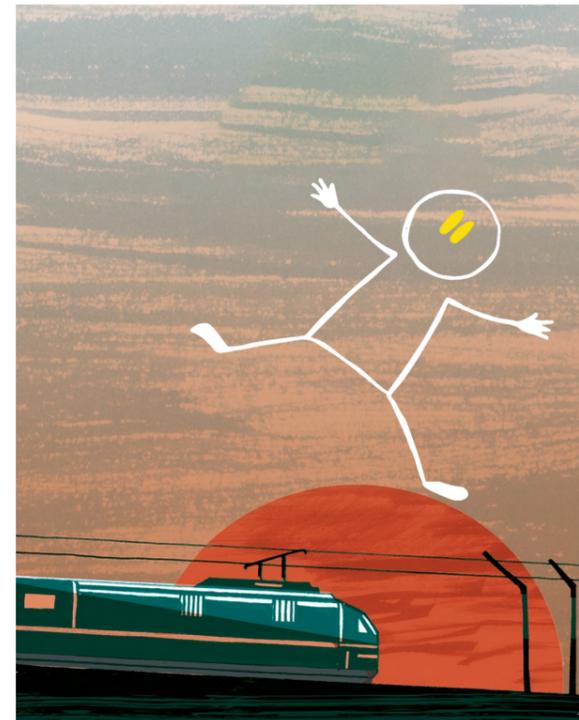

10 This exhibition is about sustainable travelling. What other things can we do to help with climate change and the environment?

List your ideas below.

Gallery Trail

Gallery @ Half Moon

1 Find picture 15. How many penguins can you see in this picture?

How many Penguins can you find?

Now, draw your own penguin on the chalk board below!

2 Find picture number 10. This is a picture of 7 blue houses.

Choose one of the houses and describe what you think it might look like inside and who might live there?

3 The pictures explore environmentally friendly ways to travel. How many forms of transport can you find within the exhibition?

List them here

What transport do you use to get around London?

4 A lot of the art uses the colour blue, what is your favourite colour and why?

5 Picture 15 is called 'Migratory Birds'

These species of bird all 'migrate' meaning they move from one part of the world to another - and sometimes back again!

Can you draw your favourite one?

6 Can you find Shard London in one of the pictures?

Write the picture number in the box

FACT: Did you know that the Shard is the tallest building in Europe?

7 The pictures in this exhibition show lots of beautiful places — which one would you like to jump into and why?
