

A message from the team...

Each year we subsidise our eight Youth Theatres to keep the fees affordable for all. We raise funds from a range of charitable trusts and foundations, but there is still always a small shortfall. If you can help us by setting up a standing order of as little as £3 a month or adding a donation when you pay your Youth Theatre fees, it would make all the difference. If you think you can help us, please pick up a standing order form from the foyer or talk to a member of staff.

We are extremely grateful to the following trusts who have supported our Youth Theatres this term:

Charles S. French Charitable Trust
The Derek Shuttleworth Educational Trust
The Fitton Trust
Fund 4 Ruby
Garfield Weston Foundation
Jack Petchey Foundation
Tesco Community Grants
...and all individual donors

Half Moon Theatre aims to produce and present professional theatre for and with young people that informs, challenges and shapes their artistic potential, placing these creative experiences at the core of the company's policies and practices. We thank you for your support of Comets this term.

LUNAR LANE

'Welcome to Lunar Lane, a normal, everyday street here in Britain. It may look beautiful from the outside, but behind closed doors you'll find chaos and secrets... come with us as we take a look behind those doors on today's episode of Lunar Lane.'

This term Lunar have focused on Comedy. They have explored a variety of comedic styles and each week played with different ideas and performance techniques. Lunar have focused on the process of devising these scenes and each week the scenes have taken on new ideas as comedic moments change and develop.
