## COME ALONG WITH ME

A striking collection of colourful and playfully dramatic images that use pencil, ink, paint, collage and photography to springboard you into your own creative adventure.

*Come Along With Me* invites you on a journey of partially told adventures, fragments of stories and glimpses of the unusual. It asks you to imagine what has happened and what might happen next – what stories will you then tell? What do you notice and who do you meet along the way? Do you see small simple details, such as a well-formed leaf, or do you get carried away into wild fantasies?

Danni Leach is a London-based illustrator, designer and maker with a strong preference for vibrant colours, bold lines and creating a harmony between traditional materials and digital practice.

Her artwork is influenced by a love of books, storytelling, silliness and real-life adventures in nature – most notably woods and water. She has a particular interest in children's picture books, fun, mess and paint.

Previous exhibitions include London's 100sqft, The Dray Walk Gallery, Islington Arts Factory, The View Finder Gallery and Colchester's The Hay Gallery.

## ART AT HALF MOON

Since 2012, Half Moon has collected a range of art from previous exhibitions to put on display throughout the building, in meeting rooms, offices, passageways and other surprising places. How many can you find?

You can also explore 30 years of local history in our ***Snapped 1990 | 2020*** photography exhibition in the Half Moon Garden. Same scene, 30 years apart.

Our ***Stages of Half Moon*** exhibition is on permanent display in the upper corridor and is overflowing with photographs and original posters highlighting the rich heritage of Half Moon Theatre. [stagesofhalfmoon.org.uk](http://stagesofhalfmoon.org.uk)

## ABOUT HALF MOON

Half Moon is a vibrant young people's theatre in Limehouse, East London, offering a theatre programme which attracts thousands of people to the building each year. Our professional theatre productions for young audiences tour throughout the UK.

We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (or 25 for disabled young people), an opportunity to participate in a variety of creative activities in schools, community settings and in our own building.

The company is one of Arts Council England's National Portfolio Organisations and receives grants from the London Borough of Tower Hamlets. Each year we have to raise over £150,000 in additional grants and donations, so please contact us if you can help in any way.

## RESPONDING TO THE EXHIBITION

Beneath some of the artworks there are chalk boards for visitors - young and older - to make their own responses or leave their own creative imprints for others to enjoy. There is also a specially created Gallery Trail for children to complete.

School and community groups can visit free of charge and can use our Gallery Trail to support Arts Award Discover and Explore. Contact Androulla on 020 7709 8908 or [youth@halfmoon.org.uk](mailto:youth@halfmoon.org.uk) for more information.
