

## Art at Half Moon

Since 2012, Half Moon has collected a range of art from previous exhibitions to put on display throughout the building, in meeting rooms, offices, passageways and other surprising places. How many can you find?

You can also explore 30 years of local history in our **Snapped 1990 | 2020** photography exhibition in the Half Moon Garden. Same scene, 30 years apart.

Our **Stages of Half Moon** exhibition is on permanent display in the upper corridor and is overflowing with photographs and original posters highlighting the rich heritage of Half Moon Theatre. [stagesofhalfmoon.org.uk](http://stagesofhalfmoon.org.uk)

## About Half Moon

Half Moon is a vibrant young people's theatre in Limehouse, East London, offering a theatre programme which attracts thousands of people to the building each year. Our professional theatre productions for young audiences tour throughout the UK.

We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (or 25 for disabled young people), an opportunity to participate in a variety of creative activities in schools, community settings and in our own building.

The company is one of Arts Council England's National Portfolio Organisations and receives grants from the London Borough of Tower Hamlets. Each year we have to raise over £150,000 in additional grants and donations, so please contact us if you can help in any way.

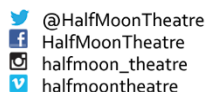

## Responding to the exhibition

Beneath some of the artworks there are chalk boards for visitors - young and older - to make their own responses or leave their own creative imprints for others to enjoy. There is also a specially created Gallery Trail for children to complete.

School and community groups can visit free of charge and can use our Gallery Trail to support Arts Award Discover and Explore. Contact Beccy on 020 7709 8908 or [youth@halfmoon.org.uk](mailto:youth@halfmoon.org.uk) for more information.

# CONNECTIONS IN TIME

Half Moon is delighted to be hosting our eighth annual exhibition of work by young people from local secondary schools in partnership with **Tower Hamlets Artist Teacher Network**. This year we are working collaboratively with two schools, **St Paul's Way School** and **Stepney All Saints School**, to present a vibrant and diverse range of work in different media by their GCSE and A-Level Art students.

The work being exhibited is striking in its range of styles and maturity. Created in response to the specifications of the curriculum and examination courses, this exhibition provides an engaging visual overview of the practice of contemporary Tower Hamlets students in their early creative careers.

At **St Paul's Way School**, students were encouraged to take a journey of curiosity about art, design and visual media in developing their work, fostering a desire to learn, research and experiment. Art, for the school, is a vital element of the curriculum and students are taught to explore and experiment with a wide range of artists' approaches and techniques to encourage their creativity. This approach nurtures visual literacy and critical thinking through exploring the world around them as part of their engagement with project themes.

At **Stepney All Saints School**, students have explored various themes that help them deepen and broaden their creative skills and knowledge. Art and Design Technology play a vital role in contributing to the holistic education of each student at the school, allowing them a space to explore, experiment, create, fail and succeed. Students are encouraged to explore their sense of self and place in the world, to foster a sense of empathy and develop critical analysis skills and we encourage them to develop curiosity and inquisitiveness.

*Connections in Time* is part of Half Moon's on-going commitment to showcase the work of local art students from across our home borough and to inspire more young people to see the creative industries as a fulfilling and exciting career choice.
