

## Art at Half Moon

Since 2012, Half Moon has collected a range of art from previous exhibitions to put on display throughout the building, in meeting rooms, offices, passageways and other surprising places. How many can you find?

You can also explore 30 years of local history in our *Snapped 1990 | 2020* photography exhibition in the Half Moon Garden. Same scene, 30 years apart.

Our *Stages of Half Moon* exhibition is on permanent display in the upper corridor and is overflowing with photographs and original posters highlighting the rich heritage of Half Moon Theatre. [stagesofhalfmoon.org.uk](http://stagesofhalfmoon.org.uk)

## About Half Moon

Half Moon is a vibrant young people's theatre in Limehouse, East London, offering a theatre programme which attracts thousands of people to the building each year. Our professional theatre productions for young audiences tour throughout the UK.

We also have an extensive Creative Learning programme, giving children and young people from birth to 18 (or 25 for disabled young people), an opportunity to participate in a variety of creative activities in schools, community settings and in our own building.

The company is one of Arts Council England's National Portfolio Organisations and receives grants from the London Borough of Tower Hamlets. Each year we have to raise over £150,000 in additional grants and donations, so please contact us if you can help in any way.

## Responding to the exhibition

Beneath some of the artworks there are chalk boards for visitors - young and older - to make their own responses or leave their own creative imprints for others to enjoy. There is also a specially created Gallery Trail for children to complete.

School and community groups can visit free of charge and can use our Gallery Trail to support Arts Award Discover and Explore. Contact Beccy on 020 7709 8908 or [youth@halfmoon.org.uk](mailto:youth@halfmoon.org.uk) for more information.

# PAST, PRESENT AND FUTURE

by *Fi Harrison*

20 April-10 July 2023

“Nostalgia is a resource that people can use to cope with life’s challenges”

*Bettina Zengel: Research Fellow of Psychology, University of Southampton*

East London based graphic designer and illustrator Fi Harrison has created a bold and vibrant fusion of work from a Generation X perspective that is inspired by pop culture, Geek-Art and restorative nostalgia.

*Past, Present and Future* offers a playful, mischievous and subversive eye on the every day, underpinned with a wistful philosophical sentiment.

Through a sequence of five themed ‘series’, we are taken on a journey that asks the observer to revisit the visually familiar and ask questions about how expectations of contemporary images can be both challenged and challenging, and how they can be reworked to reflect current affairs.
