

A message from the team...

Each year we subsidise our eight Youth Theatres to keep the fees affordable for all. We raise funds from a range of charitable trusts and foundations, but there is still always a small shortfall. If you can help us by setting up a standing order of as little as £3 a month or adding a donation when you pay your Youth Theatre fees, it would make all the difference. If you think you can help us, please pick up a standing order form from the foyer or talk to a member of staff.

We are extremely grateful to the following trusts who have supported our Youth Theatres this term:

Charles S. French Charitable Trust	Garfield Weston Foundation
The Derek Shuttleworth Educational Trust	Jack Petchey Foundation
The Fitton Trust	Tesco Community Grants
Fund 4 Ruby	...and all individual donors

Half Moon Theatre aims to produce and present professional theatre for and with young people that informs, challenges and shapes their artistic potential, placing these creative experiences at the core of the company's policies and practices. We thank you for your support of Solar this term.

The Half Moon Pub

Our visitors have a tendency to get confused between Half Moon Theatre and The Half Moon, A Wetherspoon pub down the road in Mile End. Both buildings are in Tower Hamlets but used for slightly different purposes! This term to avoid any confusion Solar has decided to turn our theatre into our very own pub! So if you are sitting in the audience wondering... am I in the right place? The answer is... Yes, you are!

The aim this term was to give participants an opportunity to explore their favourite skills and performance styles (individually or in small groups). They have chosen clowning, movement, spoken word, comedy and karaoke. Solar are well known for their ability to make the most incredible and wonderful shows and they have done it again, despite all the challenges that COVID-19 has thrown at us. We are very proud of them!
